ACADEMIC ADVISING is guidance and support in degree planning, course selection, campus resources, and academic success that is provided by authorized, trained WSU advisors representing one of WSU’s academic departments.

ACADEMIC WARNING/PROBATION/SUSPENSION If your cumulative WSU grade point average (GPA) falls below a 2.0, you will not be in “good academic standing.” If you do not bring your GPA back up to good standing, you will eventually be put on suspension. Seek help from campus resources, including your academic advisor.

ASSOCIATE’S DEGREE is an undergraduate academic degree awarded by colleges and universities upon completion of a course of study lasting approximately two years.

BACHELOR’S DEGREE is an undergraduate academic degree awarded by colleges and universities upon completion of a course of study lasting approximately four to six years (depending on institution and academic discipline).

BURSAR’S OFFICE is the financial office on campus. This is the office that sets up payment plans with students and works with billing and past due accounts.

CATALOG YEAR indicates the academic year in which you were admitted or in which you declared your major and identifies the courses you need to complete and policies you need to follow to graduate. You have 3 years to complete an associate degree under a declared Catalog, and 6 years to complete a bachelor degree. If you do not complete your degree within that time frame, then you would need to be bumped up to the next active Catalog Year, and fulfill any different requirements of that newer Catalog Year.

CATTRACKS is WSU’s degree evaluation/audit tool available through your eWeber portal. This tool is a report of your progress toward major and degree completion. Consult your academic advisor for clarifications and explanations.

CONVOCATION occurs in both the spring and the fall. In the spring, it complements Commencement (University graduation ceremony). Each WSU college (e.g., Arts & Humanities) and interdisciplinary programs not housed within a WSU college (e.g., General Studies and Bachelor of Integrated Studies) hosts a formal ceremony to celebrate graduation from that program. Convocations can also refer to the speaker series conducted through the Student Involvement and Leadership Department.

Depending on when you cancel, you may still owe tuition. View the Tuition Refund Schedule online to learn when full, partial, and no refunds will be granted.

COURSE WITHDRAWAL If you drop a course by the withdrawal deadline around mid-semester, a “W” will appear on your transcript and does not effect your GPA. You will not be eligible for any tuition refund. Before withdrawing, contact your academic advisor and any funding sources you have so you are aware of the potential negative impacts of withdrawing before you do it.

CREDIT HOUR OR CREDIT is the term we use to represent the in-class time commitment. For a three-credit class, you’ll spend approximately three hours in that class each week. For every hour in class, you should spend at least two hours outside of class on homework and studying, but you may need significantly more time for some classes.

DEANS are in charge of a WSU area. At WSU we have college deans (e.g., the Dean of the College of Science), a dean over Continuing Education, and a dean of students.

FAFSA stands for The Free Application for Federal Student Aid. This form is required for any student who wants to be considered for federal aid of any kind (e.g., grants, loans, and work study).

FEES are additional charges to students. There are many different fees including course fees and student fees. Student fees help to pay for many WSU student services. Thanks to the student fees, most WSU resources (e.g., the WSU gym and most Health Center Services) are free to students.

FINANCIAL AID is the funding (e.g., scholarships, grants, work study, and loans) that helps you pay for school. Know the difference between aid that does not need to be paid back and funding that needs to be paid back without or with interest.

FULL-TIME STUDENTS are registered for at least 12 credit hours during a given semester and are degree seeking. Note that the same tuition is charged for 11 - 17 credit hours. If you take more than 18 credits during a semester, additional tuition is charged. The full WSU tuition table is published on the Bursar’s website and payment plans are also available.
Virtual: All instruction is in synchronous virtual format such as Zoom. Synchronous means students will meet at set times/days to receive instruction via videoconferencing. Assignments and homework may be required via Canvas, email, or other technology.

GRADE POINT AVERAGE (GPA) is an overall measurement of your academic achievement in college and is calculated as the total number of grade points received over a given period divided by the total number of credits awarded.

GRANTS are similar to scholarships in that you don’t need to pay them back if you abide by their conditions. Grants are often awarded based on financial need or in support of research and other projects.

HOLD is something placed against your account that can prevent you from registering for classes. There are three types of holds including financial, academic, and administrative. These can be placed for things like student conduct violations or failure to pay tuition and fees or other outstanding debts.

HYBRID COURSES at WSU are taught through a combination of in-class and on-line instruction. Most WSU hybrids are accelerated, meaning that students complete courses in half of a semester.

INTERNSHIP is an experience that complements your academic learning by gaining work experience or satisfy requirements for a qualification.

INSTRUCTION TYPES

Face to Face: All instruction is in person in a classroom. Assignments and homework may be required in Canvas.

Face to Face Hybrid: Instruction is both in person and asynchronous online via Canvas and other technology. Asynchronous means instruction is not delivered at set meeting times/days. Technology portion is at least 20% of class time or replaces one or more in-person meetings per week.

Online: All instruction is asynchronous online. Asynchronous means instruction is not delivered at set meeting times/days. Work must be completed in Canvas by assigned deadlines. Distance students may register for these classes.

MAJOR refers to the main focus of your studies and will appear on your diploma. Up to half of your courses will be in your major.

MASTER’S DEGREE is awarded by a graduate school or department, usually to a person who has completed at least one year of graduate study.

MINOR refers to the secondary focus of your studies, and usually requires fewer courses than your major. Some majors require a minor.

OFFICE HOURS are set regular times each week where professors meet with students and/or walk-in appointments throughout each semester they are teaching. Often, if you can’t make it to an instructor’s office hours, you can arrange to meeting with him/her to schedule an alternative time.

**STARFISH** provides you with a central online location to connect you to the people and services that can help you to be successful at WSU.

**STUDENT LOANS** are funds your school (or a bank, or even a relative) provides to you with the understanding that you will pay it back. There is a per-credit cost for part-time studies (1-10 credits), a full-time tuition cost (11 to 18 credits), and overload tuition (19 and more). Student fees are charged in addition to tuition to support student support services and student government.
