Annual Report Info

It's springtime once again, and that means the birds are singing, the allergens are flying, and Annual Reports are coming due. The timeline for this year is as follows:

- **May 9th** - For those who use it, final Now Data updates are due.
- **May 23rd** - All Now Data will be updated in the dashboard (assuming data were turned in and corrected on time).
- **June 6th** - Annual Reports and the final 6-Column Model updates for this year are due. Note that the goals for next year will not be due until August.

Please submit completed Annual Reports and any questions to: garinsavage@weber.edu
