Welcome new Aletheians!

We would like to welcome all new Aletheians that have just started school! We hope you take the opportunity to attend socials, enjoy book clubs & honors classes, and get to know other Aletheians. We are so happy you have joined us!

Service Hours

As Alethians, we must complete 12 hours of service each year. If you are looking for a place to volunteer then go to the CCEL website through your portal and they have a list of places that would really appreciate some volunteers.

Service Opportunities

Wildcats Learning Together: This is an opportunity to tutor elementary students every Tuesday from 3:15 - 4:15 p.m. at Wasatch Elementary. Contact Dana for more information and to sign up.

Reading Folders: In about a week or two, there will be more reading folders to cut off the extra lamination. This service can be done on your own time and at your own home, which is a huge plus! There will be about 48 hours of service up for grabs. Pretty cushy gig if you ask me! Contact Dana for more info.

Make - A - Wish: On March 28th there is an Easter Egg Hunt at Eccles Dinosaur Park. The Make - A - Wish foundation is looking for volunteers. You can come to help plan the event or just come for the actual event... or do both! This project needs real commitment! Again, contact Dana.

FACEBOOK

We invite you all to join our Aletheia page on facebook. It is a great way to stay in touch with other Aletheians. We also have spontaneous gift card giveaways and snack breaks. Go join the page... right now... it’s okay, I’ll wait... ;)

Last Minute Addition:

We have been sent another opportunity for service hours.

Thursday January 22, many classes of 5th graders will come to WSU to gain a great campus experience by meeting students, touring campus, and attending a WSU basketball game.

We are looking for possible tour guides that would be willing to help us from 3:30-6:30 this night. We know you may not know everything about campus, but as long as you are able to get from point A to point B you will be just fine! All volunteers will be receiving a Subway gift card. If you are interested in helping I will need Names, Phone numbers, and Email addresses! This information can be emailed to Lyndsay at: campusvisit@weber.edu
Book Clubs

If you did not attend a book club in the fall, you must attend one in spring semester. Make sure you choose a book based on when you can come. Also, we will not be over-buying books. Let Dana know which book you choose at least two days before you go and pick it up.

_Funny in Farsi_ by Firoozeh Dumas

-&gt;Thursday, March 5th at 2 p.m. in the Marriott Health Boardroom, MH 401
-&gt;Led by Dr. Yasmn Simonian, Dean of the College of Health Professions

_The Chosen_ by Chaim Potok

-&gt;Saturday, March 21st at 11:30 a.m. in Pleasant View at Dana’s home
-&gt;Led by Dana Gibson, Aletheia Club Advisor

_Unbroken_ by Laura Hildenbrand

-&gt;Monday, March 23rd at 12 noon in the Hetzel - Hoellein Room, L1 239
-&gt;Led by Dr. Sara Dant, history Professor

Hey... I’m an Aletheian too! (New VP’s)

Name: Chase Laughter
Major: Microbiology (Premedical)
Class: Sophomore
From: Ogden, Utah

Hobbies: I like to play soccer, but I haven’t played a lot since high school. I also like to snowboard and go boating when I can.

Plans for the Future: I’m planning on going to medical school in a few years. I hope to be a surgeon. I’m not positive what specialty I am going to do but heart and spine are what I’m interested in for now.

Plans for Aletheia: The main thing I would like to do is organize socials that are a lot of fun and that interest everyone. It would be fun for us all to meet some other Aletheians and it would be nice for everyone to have friends to volunteer with.

Name: Madison Ballif
Major: Microbiology
Class: Freshman
From: Ogden, Utah

Hobbies: I like hiking, swimming, reading, and playing the piano.

Plans for the Future: I hope to become a geneticist and work in genetic engineering.

Plans for Aletheia: I would love to help increase attendance at activities and help people feel that Aletheia is a support system as well as a club.
