Graduation

Are you graduating on May 1st? If so, don’t forget to come get your Aletheia medallion to wear at graduation. Dana will do a quick check of your requirements for the year and you’re good to go.

By the way... *Congratulations*! It takes a lot of hard work to graduate, but add all of the extras that have been required of you and that makes it even more incredible.
More Service Opportunities

Here is a message from Lesli. She is looking for volunteers if anyone needs hours.

Hi all you wonderful Aletheia Members,

My name is Lesli Niebergall, and I am the Reading Specialist at H. Guy Child elementary school.

I am in need of several volunteers that would be willing to help at our Literacy Night on Thursday, April 16th from 4:30-7:00. We need help running activity areas. Please let me know as soon as possible if you would be able to help so we can get a count.

Also, I am just about ready to start handing out sorts/folders games to be put together. Please get in touch with me to let me know if you can help with those. If you need hours, I have plenty of things that you can do in your own home. You can even do this in the summer after classes are over for next years’ service hours.

If you’re interested, please email me at leniebergall@wsd.net
