How can I be a successful first year college student?

- Go to class, listen, take notes and study
- Meet with College Academic Advisor to discuss an academic plan
- Follow Grad MAP and First Semester Course Recommendation sheet for your major to register for classes
- Meet with Career Counselor in Career Services Center
- Utilize campus resources available to you
- Ask your professors questions
- Keep an eye on registration dates; Don’t wait to plan your next semester
- Read the syllabus for your classes and refer to the course calendar for assignments
- Use your Wildcat Student Email located in the eWeber portal
