## Graduation Banquet:

Our Annual Graduation Banquet was held April 28, 2016 at the Timbermine Steakhouse in Ogden, UT. We had the pleasure of honoring some of our 2015-16 graduates and their families for a job well done.

## List of 2015-16 Graduates

We would like to recognize this year’s Outstanding Students that went above and beyond in their academic performance:

**Column 1**
* Lucas Thatcher
* Ethan Hansen
* Jake Conolly

**Column 2**
* Jacob Rose
* Mathew Ringler
* James Flanders

**Outstanding Students:**
Scott Hadzik and Jessica Slater have been traveling to out-of-state community colleges to establish articulation agreements and transfer maps for students interested in pursuing a Bachelor of Science in Automotive Technology. They hope to increase the number of out-of-state and transfer students entering the Automotive Technology Program here at Weber State University. These students will help meet the ever increasing demand from the automotive industry for technically trained automotive professionals.

**Academic Partnerships:**

**Newly Established Partnerships**
- Chemeketa Community College, OR
- Clackamas Community College, OR
- Linn-Benton Community College, OR
- Mt. Hood Community College, OR
- Portland Community College, OR
- Montgomery College, MD
- Northern Virginia Community College, VA
- Reynolds Community College, VA
Announcements:

Summer Conference: June 14-16

High school and community college instructors from all over Utah will come to campus to receive training on the latest industry practices and technologies.

Subject Areas:

◊ Intermittent / Data Communications
  Scott Holland, GMTC Instructor

◊ Evap, Fuel Trim, and Catalyst Monitors
  William Speigle, WSU Assistant Professor

◊ NATEF Vibration Diagnostic Tasks and Tools

Curriculum:

Currently Being Taught:

- AUSV 2860 Automotive Shop Practice: AAS students are required to work 320 hours in an approved repair facility or parts store.

- ATTC 3880 Cooperative Practicum: BS students complete course assignments geared toward the business side of the industry.

Summer Elective:

- AUSV 1085 Painting and Refinishing 1: Being taught by Josh Schofield from Bare Bones Customs in Ogden, UT. This class is open to all majors and non-majors alike.

Summer Semester: May 9 - Aug. 12
Final Exams: August 15 - 17

Josh Schofield (far left) has been mentoring the students on the Kaizen Cobra project.
We appreciate his willingness to help.

Scott Hadzik, WSU (left); Travis Wood, Snow Canyon High School (center); Scott Holland, WSU (right).

WSU recently donated a Saturn Aura to Snow Canyon High School’s Auto Shop Program.
Auto Tech Club

Auto Tech Club Presidency

Our thanks to Christopher Westmoreland, Inaugural Auto Tech Club President, for his years of service to the Department of Automotive Technology, the community, and his fellow students.

We welcome Jed Cawley as the 2nd Auto Tech Club President. He served the past year as a Club Officer and was unanimously selected to be the next President by the Inaugural Club President, Faculty Advisor, and Staff Advisor.

Kaizen Cobra:

After months of preparation paint was applied April 4, 2016.

Check out the time lapse video:

https://youtu.be/WgnzBkXnBrs

Still in the works:

- The dashboard has been designed and partially assembled.
- The embroidery work on the seats have been completed and the seats will soon be upholstered.
- Programming continues for the touch screens and all electronic components

Summer Club Activity: Kaizen Cobra
Every Wednesday 12 pm - 4 pm
