One of the R.E.A.L. Projects being offered Fall semester 2022 is in need of your skills!

Klick Capital is looking for help to design and develop a user friendly website for renewable energy. Conduct market research, implement user interface design, help develop content, and determine a sales and marketing strategy.

This project needs skills from the following areas...
- Web and User Experience
- Marketing
- Communication
- Sales
- Graphic Design

If this sounds like a project you can contribute to, register today!

HNRS 4920 CRN 20147, or 21662

R.E.A.L. Projects counts as general elective credit. Please speak to your program advisor if you are interested to see if it can count toward other credit requirements or if it can substitute for another internship course. This will vary by department.
