- Budget Report and Approval (Treasurer: Stephanie) VOTING ITEM  
  - Stephanie goes over the budget and talks about finance committee or subcommittee.  
  - Supplement area is where Camie spends most and it is in a good place.  
  - We are in the green and doing okay.  
  - Wei asked about more clarification on Teacher Supplies and Educator Salary Adjustment and the TSSA grant monies. Stephanie went over and let the Board know these are grants and allocations from the Legislator.

  - Accreditation self-study documentation  
    - Talked about the Portfolio info for NAEYC that Camie hopefully will have for our next meeting.  
  - Enrollment  
    - 28 students for Oct 1 count. That will be the funding for next year.

- For Board Discussion
**Conflict of Interest Statement**
- After Angel’s project she wanted to continue with helping the school…. but it is looking like a conflict of interest. She will serve on the board and look at how she can help that way instead. Opportunity for nursing students could minor in Child Development to help out in the school instead. Angela is concerned about liabilities at this point and her limited time.
- Stephanie would rather keep Angela on the Board instead of an hourly/stipend employee and hiring a School Nurse instead.
- Angela would rather help train a school nurse and advice with her short time. She also helping look at some dental and psychologist needs and would like to be on the coordinating end at this point.
- If we can get liability insurance, Wei wonders if it would still look like a conflict issue. If Angela is not compensated will the University allow it and would it be a conflict?

**Revisions to Strategic Plan/Teacher and Student Success Plan Goals 2021-2022 VOTING ITEM**
- Teri thinks it needs to be stream lined so amendments have been made.
- Instead of creating a written comprehensive assessment plan to measure academic growth, do a review of what is currently done, and then report on.
- Tee-shirt helping with marketing was removed.
- Site visit to be Spring of 2023 to align with MSLCS.
- Stephanie motions to accept the amended Strategic Plan as noted, Hailey seconds, approved.

- Setting priorities based on resource capacity

**Revising Policies**
- Policies should be updated every 5 years.
- Teri went to a policies workshop and they stated that schools need to be cognizant of separating Policy from Procedures.
- Teri will work with everyone to take a piece of the Policies and Procedures to weed out what is Policy and what is Procedure

**Family Survey Questions**
- Tabling for now and asked if everyone will look through the questions so they can be updated for the next Survey.
- Angela would like to understand what parents are looking for health concerns.
- Hailey said she will help with this as the parent rep. Let the Board know that quantitative research is her specialty.
