UPCOMING EVENTS:

- November 23  EARLY OUT (10:30 & 2:30)
- November 24-26  THANKSGIVING BREAK (Extended Care available 11/24)
- December 14  POTENTIAL ENERGY PRESENTATION (physics lesson)
- December 16  Festival of Light and Movie
- December 20-January 1  Winter Break

Week 13: Since we only have 1½ days this week, I didn’t do the full lesson plan. The objectives are the same as last week. Activities are free choice with 1 teacher-directed activity per day. We will do a Second Step lesson.

IMAGINE LEARNING: We won’t be doing Imagine Learning this week, so if you could sneak in an extra session, or two, that would be great! Thank you!!

WARM THE SOLES: Our sock drive continues through November 30. There is a crate inside the classroom for putting donated socks. Thank you for supporting homeless folks in our community!

CHANGE OF CLOTHES:  Thanksgiving break is a good time to switch out your child's change of clothes. It is possible that your child has outgrown what is currently in their bag, and the shorts can be switched out for long pants. I recommend leaving the t-shirt. Remember to put in a full change of clothes. Just in case. 😊

DECEMBER FESTIVALS, CELEBRATIONS, & TRADITIONS:  We would love to share our personal traditions with each other. This goes with our social studies lessons on same/different, how weather affects human behavior, & how people welcome autumn and the coming of winter. Please send me a short description of your tradition (with pictures, if possible) and we will share with the class.

Have a wonderful week!
Miss Letitia, Miss Lorraine, Miss Alex, and Miss Ally
