- (1) SLCC will look into cross listing FHS 1500 with PSY 1100 Lifespan Human Growth and Development.
- (2) UVU will consider changing the FAMS 101G course to the common 2400 number (oaky to include "G") and the FAMS 1100 course number to the common 1500 number.
- (3) Lower-division courses on this row will satisfy the program requirements for the corresponding upper-division course(s), but will not count toward the upper-division credits needed for a bachelor degree at the receiving institutions.
- (4) Snow College is developing HFST 2180. Check status of course at next meeting.
- (5) FLHD 3200/SUU, HDFS 3500/USU, and CHF 2500/WSU encompass Birth to Twelve.
- (6) HDFS 3550 is a lab accompanying 3500 at USU required for Child Development majors only.
