✔ New Students complete the application process through WSU Financial Aid
✔ Continuing students verify and update your information through your eWeber portal.
✔ Check the Disability Services website for specific information and deadlines under “Forms”. www.weber.edu/disabilityservices
✔ Submit scholarship application information and documentation, verifying status to Disability Services before the deadline.
✔ Some scholarships may require registration with DS so plan ahead.
✔ Check your Wildcat Mail regularly for updates on your application

In order to be eligible for any scholarships, students MUST complete the WSU General Scholarship Application. Completion of this application by the priority deadline allows for communication between interested students and DS.

Scholarships will be awarded prior to the start of Fall Semester. Students who have completed the General Scholarship Application and are eligible for a scholarship will be notified through Wildcat Mail via the student portal. All interested students must complete an application at Disability Services (DS) and supply necessary paperwork outlined by the criteria for each scholarship. This application is in addition to the online General Scholarship Application through the WSU Scholarship Office.

All applicants will be required to verify disability status by meeting with DS and providing necessary documentation. This documentation is highly confidential and will be protected to the full extent of all relevant laws and regulations. For guidelines regarding documentation of a disability, please visit the DS office or website.

Requirements and due dates vary for each scholarship and are subject to change. Scholarship funding varies year to year, so please check the DS office regularly for updated information.
