Scholarships for Students with Disabilities

In order to be eligible for any scholarships, students MUST complete the WSU General Scholarship Application. Completion of this application by the deadline allows for communication between interested students and Disability Services.

Scholarships will be awarded prior to the start of each fall semester. Students who have completed the General Scholarship Application and are eligible for a scholarship will be notified through their Wildcat email. All interested students must register with Disability Services and supply necessary paperwork outlined by the criteria for each scholarship. This application is in addition to the online General Scholarship Application through the WSU Scholarship Office.

All applicants will be required to verify disability status by meeting with Disability Services and supplying necessary documentation. This documentation is highly confidential and will be protected to the full extent of all relevant laws and regulations. For guidelines regarding documentation of a disability, please visit the Disability Services office or the Disability Services website, Students tab and Documenting Your Disability for more information.

Requirements and due dates vary for each scholarship and are subject to change. Scholarship funding varies year-to-year, so please check with the Disability Services office regularly for updated information.

**Application Checklist**

- Complete the application process through Weber State University (WSU) Financial Aid at, [https://www.weber.edu/financialaid](https://www.weber.edu/financialaid).
