Administrative Associate: Patti Glover

Guests:  John Cavitt, Brenda Kowalewski, Stephanie Wolf, Amy Buckway, Spencer Hilton, Rick Ford, Loisanne Kattelman, Leah Murray, Michelle Paustenbaugh, Melissa Neville
1) Approval of minutes from January 16, 2020 meeting. Passed as amended.

2) Recognition of Madonne Miner as provost.
The Faculty Senate thanked Provost Miner for her invaluable service to the University and her steadfast commitment to shared governance. We wish her all the best in her retirement.

3) Curriculum – John Cavitt (see page 2 – 7)
Curriculum Justifications for Curriculum or Curriculog Agenda Faculty Senate Feb 13, 2020

MOTION: to bring curriculum to the floor by Casey Neville
SECOND: Barb Wachocki

Master of Radiological Science and Master of Social Work were pulled for separate consideration by Doris Geide-Stevenson
Second: John Sohl

OUTCOME: Unanimous Approval of all but MRS and MSW

DISCUSSION OF MRS and MSW: The implications for the undergraduate programs were asked to be addressed. In regard to Social Work, the graduate program completes a professional pipeline. There also has been a commitment for new faculty lines in the budget. Initially they will use the faculty and adjunct pools already in place with addition of a few adjuncts. They don’t desire to harm the undergraduate program and don’t believe there will be an impact. Radiological Science is meeting industry need with their program, a faculty member has already been hired, and Inter Professional Educators will meet the need for most other faculty.

MOTION: To approve Master of Radiological Science and Social Work by Mark Denniston
SECOND: Aaron Ashley

OUTCOME: Unanimous Approval

After the meeting Josh Winegar noted to Patti Glover that Art 1110 and 2450 were on the curriculum agenda though they had not been approved by UCC. These courses have been subsequently removed from this Senate agenda, they will be reviewed by UCC at their meeting February 18, 2020.

4) Administrative Update (Info Item) – President Mortensen
The Higher Education Governance Bill has passed the senate education committee. At this time the bill reads that the Board of Regents and UTECH Board of Trustees will be replaced with a Utah Board of Higher Education (UBHE) which will begin governing the system July 1, 2020. There will be 18 board members (not named regents). The Boards of Trustees will maintain their current powers plus approve institutional strategic plans.

John Welty will be helping WSU with the strategic planning that is being done. University meetings are planned for March 16 and 17 and April 16 and 17.

5) Digital Fluency District (Info Item)– Brenda Kowalewski

A group of faculty, staff, students and administrators are working on a proposal to reimagine parts of the Stewart Library and Lampros Hall to create what is being called the Digital Fluency District. The objective is to create a central hub on campus where students, faculty and staff can get support for all things digital, whether that be related to consuming information, collaborating with others, or creating content. This district is needed because of the technologically driven world which is requiring digitally fluent employees. It is hoped that these areas will be a one-stop shop and will feel like a safe space for faculty, staff and students to get support. The resources and changes that have already been made on campus have been used by many faculty members and students. These changes will not take away collection space or group study space in the Library. It is being proposed that TLF move to Lampros to be closer to the bulk of the technology resources and WSU Online. The plan is going to President's Council next month. It is hoped that it will be approved, funded and implemented in the next two years.

6) RSPG Update (Info Item) – Stephanie Wolf, Chair Updated Form,
Funding numbers were given for the past year. RSPG has revised the application form because of issues with the previous form. They are evaluating the rubric and form at each meeting. A PDF form has been used because it cannot be shrunk or enlarged.
RSPG is requesting a new charge for next year regarding funding for adjunct proposals of $4000 for the spring semester. This year they are going to give $2000 in fall and spring. With firm statistics from this they would like to advocate for the additional $4000.

7) CRAO (Info Item) – Amy Buckway, Chair
   a) Change Curriculum Committee acronym from CC to UCC
   The University Curriculum Committee requested this change to the bylaws. The item was read at this meeting and will be voted on in March.
   MOTION: To make change next month by John Sohl
   SECOND: Rob Reynolds

   b) Adjunct Vote
   The WSU faculty/senator ratio is lower than many other universities, as a result CRAO recommends that no changes be made to the number of senators. They also recommend that no adjustments be made to the current functions of adjunct senators until input can be gathered and analyzed after the end of this academic year.

8) SBBFP – (Info Items)
   a) Salary Inversion - Spencer Hilton
   The number of inversions are down each of the last three years which seems to show that the yearly sharing of the information with the deans is working. The new salary inversion information will be shared with the deans.

   b) CUPA - Rick Ford
   Ogden cost of living has gone up in the last decade or so, it is now showing 100% compared to the national average. In 1996-1997 equitable salary was at .9428%. SBBFP proposes that the .9428% be eliminated for CUPA comparisons and WSU be compared to 100% of CUPA. It should be noted that in this CUPA analysis this year's salaries are being compared against last year's CUPA so the results are already skewed down.
   MOTION: To make the equitable CUPA 100% instead of .9428% Josh Winegar
   SECOND: Marjukka Ollilainen
   OUTCOME: Unanimous Approval

   c) Gender Equity - Loisanne Kattelman
   An overview of salary based on gender was given, comparing by university, rank, and college. Gender was also compared using the CUPA equitable salary. This is the first year that this information has been gathered and reported. SBBFP is proposing to share this information on a yearly basis with the provost who will share with the deans to make any appropriate changes.

   d) Salary Questionnaire for Raise Prioritization – Leah Murray
   A survey of how any money set aside for raises should be distributed will be circulated to faculty after senate meets this month.

9) SBBFP - Salary Negotiating Committee - Leah Murray, Chair
   Tim Herzog, Leah Murray, and Kendal Beazer submitted as members of the salary negotiating committee.
   MOTION: To accept the committee’s recommendation for the salary negotiating committee by Rob Reynolds
   SECOND: Wendy Fox-Kirk
   OUTCOME: Unanimous Approval

10) Program Name Change - From Pre-Major Associate of Science In Communication to Associate of Science in Communication - Tim Herzog

11) ASSA – PPM 6-14 Health & Counseling Services– Michelle Paustenbaugh, Chair
    The changes to PPM 6-14 are: 1) A section was added that described the availability of Counseling and Psychological Services Center (CPCS); 2) updated description of who is eligible for services at the Student Health Center (SHC) and CPCS.
    MOTION: To approve changes as proposed by Brent Horn
    SECOND: Kade Crittenden
    OUTCOME: Unanimous Approval
12) APAFT – Melissa Neville, Chair

a) Tenure & Promotion - **Education**
PCP counting for professors had to be added to the documents which instigated the changes. A few other pieces of language were cleaned up. Changes were made by a faculty committee and it was accepted unanimously by faculty.

MOTION: To approve T&P Education documents by Ed Hahn
SECOND: Aaron Ashley
OUTCOME: Unanimous approval

b) Tenure & Promotion – **EAST**
The main changes to the documents included: 1) College was reorganized, 2) departments were added 3) Allowed for PCP for full professors 4) Collegiality section was added. All but one faculty member in the college voted to approve the changes to the policy.

MOTION: To approve T&P EAST documents by John Sohl
SECOND: Aaron Ashley
OUTCOME: Unanimous approval

c) **PPM 8-11,III.C** – 3rd Year Successful Review Language
This incorporates the language that was approved for use this year in regard to 'successful' in a 3rd Year Review. The 'Recommendation for Hire' that is given to a faculty member upon hire indicates the time at which a faculty member goes up for their 'third year'.

MOTION: To approve the change in language by Aaron Ashley
SECOND: Sheryl Rushton
OUTCOME: Unanimous Approval

d) Charge 2,3,4,7(Info Item) **Autobiographical Form** Changes & **PPM 8-11**

Peer benchmarks have been used in considering the changes that have been made to these documents. Significant changes that have been made include:

i) Reflecting use of an electronic file
ii) Making sure PPM and Autobiographical form match
iii) Removed departmental and college-wide comparisons
iv) Edited Student Evaluations section to remove numerical and qualitative words
v) Scholarship category was changed to increase inclusion of Arts & Humanities scholarly activities
vi) Student Advising and other Student Success Activities section was added
vii) Added technology section since so many are doing new things in that area
viii) Tried to make it so that there is no supplemental file, it is all just hyperlinked within this document.

DISCUSSION: Chi Tester evaluations are different in each college, changes will be made in Chi Tester to remove the comparisons across departments or colleges. Over time the numbers that are reported will compare professor to themselves, not compare them to others. APAFT is working on changing the scale that is used on the evaluations. Only department and college comparison are being removed not course comparison. The committee is looking at the option of making the evaluation forms use just qualitative data. It was noted that students often don't want to write anything they just want to choose a number.

e) Charge 6 **Student Evaluation of Faculty Member - Process**
Colleges felt strongly about this issue, 289 responded to the survey that was sent out. The results show that faculty are not pleased with how student evaluations are used in the tenure and promotion process. A task force was appointed by senate to do research on this issue. The recommendation from the task force, approved by both TLA and APAFT is:

i) evaluations be given online
ii) evaluations open and close at the same time across the University
   (1) Evaluations open the day after the semester withdraw date, (week 11).
   (2) Have evaluations open for two weeks (maybe a few days less) 12:00 am to 11:59 pm.
   (3) Block Classes/Exceptions
      (a) Opens on week 6 for one week and closes on week 7 (after the withdrawal period).
      (b) Run the evaluations from 12:00 am to 11:59 pm
iii) Both TLA and APAFT have approved these recommendations.
iv) Student Evaluation Marketing “Blitz” – Provost’s office will support a marketing blitz. An evaluation week to remind student of the intent/purpose of students’ evaluations, increase awareness, meaning, and completion of evaluations.

v) APAFT intends to develop an evidence-based (brief) evaluation survey instrument for use across Colleges, which Colleges and Departments may certainly add to for accreditation and faculty purposes. (coming next month)

vi) This information does not go into the PPM, it needs to be communicated to Canvas, Deans and Admins. Melissa will get with Andrea Easter-Pilcher who is on the subcommittee to make sure that this information is disseminated to Deans Council. Gail Niklason would like to get this started in summer if approved.

MOTION: To approve the workflow process and timing recommended by APAFT/TLA by Barb Wachocki
SECOND: John Sohl
OUTCOME: Unanimous Approval

f) Charge 11 Process for Tenure & Promotion digital files management in canvas
The digital T&P file management in is currently in Canvas. APAFT is not recommending a change of software at this time. The dated guidelines have been modified to give all reviewers access to the files on the first day of the review. Once a given group is done with their part access will be removed. Paper files will be managed as they have been.

DISCUSSION: Make sure that closing of files is within the spirit of what is in the policy. The University Committee needs get availability on a case by case basis. APAFT will bring this back next month.
