

Registration is open for the 2019-2020 Virtual Parking Permits. You will no longer have to display a physical permit when you park in your assigned lot(s) beginning August 20, 2019.

Parking permits can be obtained online at <https://weber.myparkinginfo.com/cws/>. Please sign into your online account by **clicking the WSU Login** button and renew your non-expiring parking permit for the 2019-2020 school year. You will be able to use your current WSU login credentials to login.

- Click <https://weber.myparkinginfo.com/cws/> and sign in with your university credentials.

The main content area is divided into two columns. The left column, titled "Access Permit Holder Account", contains a purple "WSU Login" button with a red arrow pointing to it, and a purple "Purchase Visitor Parking" button. The right column, titled "Pay or Appeal Citation", contains the text "To pay, view, or appeal your citation, fill out the form below:" followed by two input fields: "Citation Number: ?" and "License, VIN, or PIN: ?".

The screenshot shows the top navigation bar with the Weber State University logo and 'Financial Services' text. The main header includes 'WEBER STATE UNIVERSITY PARKING SERVICES'. Below the header, there are navigation tabs for 'Permits', 'Message Center', 'Citations', and 'Transactions'. On the right, there is a shopping cart icon with '0' items, a language dropdown set to 'English', and a user profile dropdown for 'Waldo Wildcat'. The main content area is titled 'Permits' and features a '+ Add' button highlighted by a red arrow. Below the button, it says 'View all purchased permits.' and a table with columns: 'Number', 'Status', 'Type', 'Vehicle(s)', and 'Validity'. The table is currently empty, displaying 'No data available in table'. At the bottom, it shows 'Showing 0 to 0 of 0 entries' and 'Previous' and 'Next' navigation buttons.

The screenshot shows the same website interface as the previous one, but with a list of permit options. The 'Permits' section is titled 'Permits' and includes instructions: 'Select from the list of permits below to add them to your cart. If you don't see a permit for a parking location you need, add a new parking location by clicking on the "Add Permit Holder Type" button.' The list contains two items:

Enforcement for the virtual permit program will begin on August 20, 2019. Parking will be enforced using **license plate recognition technology**. The license plate you enter must be correct or you will run the risk of receiving a parking citation. You may update your vehicle information as often as needed, just be sure to select the vehicle you are parking on campus. **Be sure to park so that your license plate is visible from the travel lane.** For questions, comments or concerns, please contact Parking Services at 801-626-6533
