

## Obtaining a QR code for Students

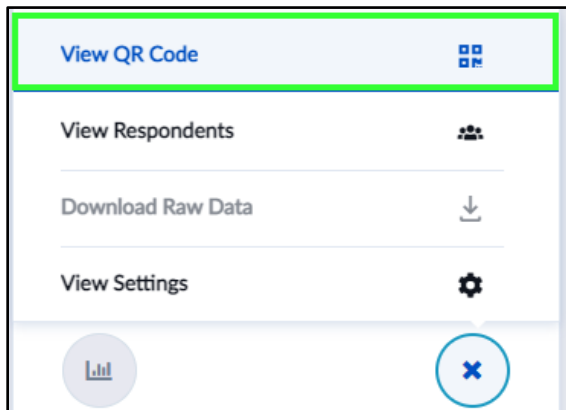

### Create QR Code

Providing a QR Code to access an evaluation is not required, but it is a quick and easy way to direct students to the evaluations. Please remember the QR Code is **unique for each course**. If you decide to provide a QR Code to your students, you must complete the steps below for **all courses each semester**.

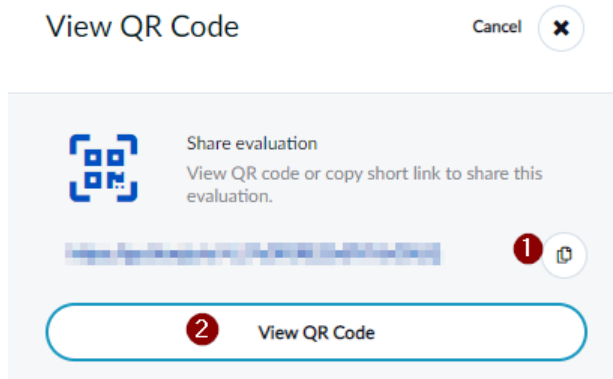

1. Instructors can access the QR code unique to their course by clicking the three buttons at the bottom of the tile

2. Click View QR Code

3. Click the copy button (1) to copy the URL or click View QR Code to create a QR code that students can scan (2)

4. If you select the View QR Code option, you will receive a QR code unique to the course/CRN listed on the page. Right-click the QR image and select copy image, then paste the image in an announcement/message to your students.

**Course Name and  
CRN**

Student-FO

Figure 1. The effect of the number of trials on the number of correct responses.

To access the evaluation, scan this QR code with your mobile phone.

Please remember the QR Code is **unique for each course**. If you decide to provide a QR Code to your students, you must complete the steps above for **all courses each semester**.
