

Obtaining a QR code for Students

Create QR Code

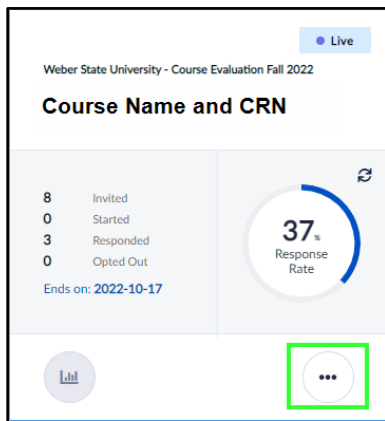

Providing a QR Code to access an evaluation is not required, but it is a quick and easy way to direct students to the evaluations. Please remember the QR Code is **unique for each course**. If you decide to provide a QR Code to your students, you must complete the steps below for **all courses each semester**.

1. After logging in, click on “Subject Management”

This will then display a page with tiles for each course.

2. Instructors can access the QR code unique to their course by clicking the three buttons at the bottom of a tile

3. Click View QR Code
