### Sustainability minded seminar

Weber State University is committed to reaching carbon neutrality by 2040 and reducing the environmental impact of all operations. The 2024 Isfte seminar has been organized with this in mind, choosing sustainable transportation options throughout the seminar. Included in registration, each seminar participant will receive a pass for Utah's Transit Authority (UTA) which can be used on the buses in Ogden and Salt Lake; OGX, Ogden's fleet of electric buses; TRAX, Utah's light rail system; and Fronrunner, UTA's commuter rail line.

### Arriving at Salt Lake International Airport

Once you arrive at Salt Lake airport, you will need to make your way towards the baggage claim area.

#### Arriving from a domestic flight

Please proceed directly to the baggage claim area. [This video](#) shows the path you will take towards the baggage claim. When you step out of the main doors of the terminal there will be a "Greeting room" just to the right (3:20 in the video). There will be an Isfte greeter right outside of this greeting room area who will be holding up an Isfte sign. From here, the greeter will show you to the baggage claim, give you a UTA pass, and show you how to get on the TRAX to Ogden.

#### Arriving from an international flight

If you are arriving from an international flight, you will need to go through customs and immigration before exiting the terminal. Here, you will need to present your passport and complete a customs declaration form before proceeding to the baggage claim. When you step out of the main terminal doors you will find a set of benches to your left and a Starbucks to your right. There will be an Isfte greeter on your left on the benches who will be holding up an Isfte sign. The greeter will give you a UTA pass and show you how to get on the TRAX to Ogden.

## Getting to the seminar hotel in Ogden

UTA FrontRunner, a high speed commuter train, connects the Salt Lake Airport to Ogden. First, you will need to take the TRAX (light rail) station to the Frontrunner. The TRAX station is located on the ground level outside the terminal on the east side. Passengers should exit door 1A and go east. You will take the TRAX to the FrontRunner station in downtown Salt Lake.
