Form for Re-Admitted Students: Estimated Time Until Graduation

The ISSC is required by US Federal Regulations to indicate in the SEVIS system the academic progress all F-1 international students make towards their degrees. Please have someone who performs academic advising in the academic department of your major fill the following form, which we will use to calculate the Program End Date on your I-20.

To Be Filled by Department Chair/Academic Advisor in Your Major Program of Study:

Student Name: ______________________________
Student W # _______________________________________
Major/Degree Program: ____________________________________________

1. Total number of credits required to complete major: _________
2. Total number of transfer credits applied towards major: ________
3. Total number of credits EARNED towards current major at Weber State University: _________
4. Total number of credits remaining to graduate: (excluding current term): _________
5. Expected Semester of Graduation (NOTE: please do not include Summer classes if not normally required): _____________

Comments:

Advisor Name (please print):
Signature:
Date:

Please return the completed form to International Student and Scholar Center
Student Services Building-Room 143
3885 West Campus Drive Dept 1130
