

OED-WITAC Meeting

10/10/24

In Attendance:

- Mary Parkinson, OED Education and Workforce Development Specialist
- Dr. An Ho: WITAC Director
- Sadie Braddock: WITAC Assistant

Agenda

1. Establishing new stakeholder connection
 - a. Introduction to WITAC
 - b. OED stakeholder role
2. Summer Camp resources
 - a. Notes from former OED Energy Efficiency Specialist, Chris Tallackson:
 - i. “there is a lot of energy-related K-12 curriculum already developed that might be useful for summer workshops and outreach. He can provide us with the contacts necessary to obtain that curriculum.”
 - b. Dr. Ho browsed OED’s website and found this link:
<https://energy.utah.gov/homepage/education/curriculum/>
 - c. Are there any other resources?
3. How does OED engage with and recruit students?
 - a. Interactions with High School students?
 - i. Help guide them to Weber State University’s Energy Engineering B.S. program?
 - b. Craft natural pipeline together for students to take internships
 - i. ITAC internships
 - ii. OED internships
4. Letter of Commitment
 - a. How can OED help collaborate with WITAC?
 - b. How can WITAC help OED accomplish their goals?
