

Jan 12 - 1:30 pm - TY 365

Math Factor/Math Department Seminar

Title: Actuary – Why would you want to become one?

**Speaker: Tomasz Serbinowski, Ph.D., FSA
Actuary - Utah Insurance Department**

Abstract: Have you ever heard of an actuary? It is one of the best-kept secrets. Actuary consistently ranks among the best jobs in the USA. It is an excellent job for people with quantitative skills. It is not just a job; it is a satisfying career that can lead to great opportunities. We will talk about what actuaries do, who employs them, how much they make, and how to become one.

Refreshments will be served.
