World-Class Care

Phoenix Children's offers care in more than 75 subspecialty fields of pediatric medicine, including eight Centers of Excellence.

Barrow Neurological Institute at Phoenix Children's
Dedicated to healing children with complex and severe neurological illnesses

Center for Cancer and Blood Disorders
Comprehensive care for children diagnosed with malignancies and blood diseases

Center for Cleft and Craniofacial Care
The widest range of treatments for cleft and craniofacial disorders

Center for Fetal and Neonatal Care
Advanced fetal imaging and diagnosis, plus newborn medical and surgical intervention

Center for Heart Care
Cardiac care for infants, children, teens and adults, and the fifth largest program of its kind in the country

Herbert J. Louis Center for Orthopedics and Sports Medicine
Care for musculoskeletal injuries or diseases and conditions impacting musculoskeletal function

Center for Spine Care
Pediatric neurosurgical and orthopedic surgery care for rapid diagnosis, treatment and healing for complex spinal disorders

Center for Trauma Care
Arizona's only American College of Surgeons-verified Level 1 Pediatric Trauma Center

Expanding to Serve the Community

Phoenix Children's has significant expansion projects underway to provide greater access to pediatric care closer to home for families throughout the Valley. Planned projects through 2026 include: Phoenix Children's Hospital — East Valley, located inside the Women's and Children's Pavilion at Mercy Gilbert Medical Center; and several projects at Phoenix Children's Hospital — Thomas Campus.
