- If eligible, you will be paid tax free as a VA work-study

REFERRAL/CONTACT

D. Aaron Ahern, Ph.D.

Licensed Clinical Psychologist

VITAL Program Coordinator

VA Salt Lake City Medical Center
801-828-6787 | Dennis.Ahern@va.gov

BECOME A PEER MENTOR:

Now is the time to join our team as a peer mentor. Peer mentors provide outreach, assess student Veteran needs, and help them access needed resources on campus, in the VA, and in the community. Peer mentors also share experiences as a student Veteran and provide support to fellow student Veterans as they progress toward graduation. You will also have the exciting opportunity to participate in research and to learn how to do a three-session intervention to support student Veterans in their mental health recovery.
