

**WEBER STATE UNIVERSITY**  
Dumke College of Health Professions

DEPARTMENT OF  
**MEDICAL LABORATORY  
SCIENCE S**

# University Faculty Position

## *Clinical Hematology*

### Intro

The Department of Medical Laboratory Sciences, in the Dumke College of Health Professions at Weber State University invites applications for a nine-month tenure-track position to begin Spring 2022. The successful candidate will possess a master's or doctoral degree in a related field and be an ASCP certified Medical Technologist/Medical Laboratory Scientist. The individual will be primarily responsible for teaching undergraduate courses focused in clinical hematology. Alternative teaching responsibilities may be assigned dependent on expertise and need.

### About Us

**Weber State University** was founded in 1889 and has a dual-mission of offering a wide-range of baccalaureate and graduate programs while meeting regional community college needs. The University enrolls approximately 25,000 undergraduates and is an open enrollment university. The 400-acre main campus is located on the western front of the Wasatch Range of the Rocky Mountains in historic Ogden, Utah.

The **Dumke College of Health Professions** provides excellence in: education for students, support for faculty, resources for our healthcare partners, and partnerships with local and global communities. The College enrolls approximately 8,000 students and contains Departments in Athletic Training, Dental Hygiene, Emergency Care and Rescue, Health Administrative Services, Health Sciences, Medical Laboratory Sciences, Nursing, Radiological Sciences, and Respiratory Therapy.

The **Department of Medical Laboratory Sciences** accepts over 200 on-campus and online students each year in the Associate of Applied Science (AAS) and Bachelor of Science (BS) programs. Our department was awarded a 10-year NAACLS accreditation in 2015 for both academic programs. Approximately 20 percent of our graduates continue on to graduate or medical school. Our department is committed to faculty sustainability through work-life balance with the surrounding area providing year-round recreation.

### APPLY NOW!

To apply, complete the online faculty/staff data form (<https://jobs.weber.edu>, Requisition# F00206P) and attach the required applicant documents: a cover letter, curriculum vitae (CV), a statement of teaching philosophy, and a list of three references. The screening of applications will begin September 20th, 2021. The position will remain open until filled; ideally the candidate will be available to start Spring 2022 but this is negotiable. A criminal background check is required as a condition of employment. (EOE) Salary is commensurate with experience and education. Weber State University provides an excellent benefits package for their faculty. For any inquires please contact the Search Committee Chair, Matthew Nicholaou, DrPH, MT(ASCP) at [matthewnicholaou@weber.edu](mailto:matthewnicholaou@weber.edu).
