

The Department of Medical Laboratory Sciences at Weber State University provides this list of laboratories currently hosting clinical rotation students, as a requirement of our accreditation with the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) standard IV.A.1. Inclusion on this list does not constitute an endorsement or sponsorship of Weber State University by these laboratories. The decision to host students for clinical rotations is at the sole discretion of each facility. This list is offered solely for informational purposes to assist our prospective students in understanding the range of opportunities available for clinical rotations.
