WSU Hourly Child Care Center
Parent Policy Handbook

This handbook is for parents whose children have been enrolled in the WSU Hourly Child Care Center. There is an application and enrollment packet that needs to be completed before attending.

Description
Weber State University’s Hourly Child Care Center is a state-licensed facility and is designed to provide flexible regular hourly care or back-up care for the children of WSU students. Employees of WSU may use the center for emergency back-up care during the Fall and Spring semester and for regular care during the Summer semester.

Program Goals and Philosophy
We are committed to Developmentally Appropriate Practices as defined by the National Association for the Education of Young Children (NAEYC).

• Work together to provide a learning environment which protects children’s physiological and psychological health and safety.
• Support a child’s point of view while developing responsibility and self-awareness in a challenging, interesting, and developmentally appropriate environment.
• Create curriculum that extends a child’s verbal and literacy skills.
• Construct lessons that engage a child’s mathematical and scientific exploration skills.
• Encourage a caring community of learners who can develop social relationships and communication skills.
• Establish partnerships with families in order to support parents in their educational pursuits.
• Inform parents on the progress and development of their child.

Fees
• Payments must be made online at weber.edu/nontrad/childcare under “Pay Fees”.
• The cost of child care is $3.50 per hour, per child.
• There is a one-time, non-refundable $15.00 application fee per family.
• A non-refundable deposit of $42.00 (applied to first 12 hours) must be paid online through the Nontraditional Student Service Center’s website before the first day of attendance.
• Payments are due by the end of the business day every Friday for hours used that week.
• There are no refunds for unused pre-paid hours, but funds will roll over to the following semester.
• At the end of the semester, all unpaid balances will be turned over to WSU collections and your records will be placed on hold until the payment is made in full.

Termination of Enrollment by Parent
Parents may terminate the enrollment of their child/children at any time. Please notify the supervisor of termination as soon as possible. Parents can request a copy of child’s records.
Termination of Enrollment by Center

Enrollment may be terminated by the center for failure to:

- Make payment **for services rendered**.
- Keep immunizations current.
- Cooperate with staff in order to ensure the needs of child.
- Have child(ren) fully potty trained (determined by the Child Care Supervisor).

Signing in and Out

It is **vital that each child and parent** be acknowledged upon arrival and departure.

- We ask parents to approach a child care teacher upon **arriving and leaving**.
- Parents must sign-in on ProCare using your fingerprint. If ProCare is not working, please sign in on the paper log.
- The sign-in laptop is located on the counter next to the TV.
- If someone other than yourself is picking up your child, you need to **inform the teachers in writing**.
  - We will check the release form and ask for photo identification. Only parents, or those with written authorization from parents **ON FILE**, will be allowed to take a child from the center.
- In an emergency situation, the parent may give verbal authorization to center caregivers. The verbal authorization includes confirmation of identity by picture ID.

Attendance

Please call **801-626-7798** to notify the center if you will be absent or late dropping off or picking up your child(ren).

**Illness & Medications**

If your child has any of the following symptoms, he/she **may not attend** our center:

- Temperature of 100 degrees or higher
- Diarrhea
- Unidentified or contagious rash
- Vomiting
- Eye infection
- Head lice

If your child develops any of these symptoms while in attendance, a parent will be notified to immediately pick up the child. If your child contracts a contagious illness soon after attending our program, you must notify the supervisor within 24 hours.

**Please Note:** We do not give medication to the children. Please do not leave any kind of medication in your child’s lunchbox or backpack.

**Discipline**

- Discipline strategies are employed in our classroom with the goal of helping children control their own behaviors and appropriately express their emotions. Positive guidance strategies are used to prevent most behavior problems. We seek to accomplish this through the following:
  - Model positive behavior for the children through “using words” to solve problems
  - Coach children in addressing peers and teachers in an appropriate manner, without physical or verbal aggression.
  - Redirect the child to another area.
  - Restrict the child from playing in an area.
  - Remove the child from their activities for a short period.

**Please Note:** Based on current research, “Time Out” is only used when other means are ineffective.

**Parent Involvement**

Parents are always welcome in our classroom and your suggestions are appreciated.

- If you have special contacts or interests that would help our program and enhance the experience for children, please inform the supervisor.
- Parents are encouraged to get involved in the Nontraditional Student Center.

**Grievance**

We encourage parents to express all concerns to the child care supervisor or head teacher in the classroom as soon as possible. If difficulties and differences are not appropriately addressed and resolved, parents should contact the Director of the Nontraditional Student Center.
