Students will have the opportunity to work with WSU students to provide programming, develop peer groups, and implement marketing ideas to reach out to these constituents to help engage these students to feel part of the campus community. The students applying for these leadership roles must have a WSU GPA of 2.5, and be a full-time student, and be a Utah resident to qualify for this opportunity. If a student is over-funded, meaning they have received tuition waiver funding, or scholarships, from another department and are unable to receive this funding, please talk with us to see what other options are available.
