---

The Nontraditional Student Center offers a partial tuition waiver for nontraditional students (over 25, spouse or committed partner, widowed, divorced, or have dependent) to create and implement programming for their peers. The committee opportunities include working with faculty and staff, providing outreach to campus departments, representing the center at tabling events (fairs, booths, etc), and planning activities for the nontrad students. The students applying for these leadership roles must have a WSU **GPA of 2.5**, and be a **full-time** student, and be a Utah resident to qualify for this opportunity. If a student is over-funded, meaning they have received tuition waiver funding, or scholarships, from another department and are unable to receive this funding, please talk with us to see what other options are available.
