“Join the Tradition, September 30, 2017”

This year, the Mount Ogden Annual Hike tradition continues. We extend a special welcome to WSU students, faculty, and staff. We encourage WSU affiliates, families, and general public to come get involved. The annual program will begin promptly at 12:00 noon on the saddle. Join us as we sing the WSU Fight Song, and carry on this long standing Weber State tradition.

There are three designated trails to choose from: Snowbasin Trail, Beus Canyon Trail, or Taylor Canyon Trail. WSU Outdoor Program student trip leaders will be available at the Snowbasin trailhead to lead hikes every hour beginning at 8:00 a.m., 9:00 a.m., and 9:30 a.m. Check in is at the registration booth in front of Earl’s Lodge. Experienced hikers are welcome to select from any of the three trailheads listed. Suggested starting times are listed on back. Hikers should aim for a summit arrival by 11:00 a.m. and return to the Saddle for the traditional program at 12:00 noon.

To further accommodate participants new to this tradition, limited busing will be provided free of charge to and from Snowbasin Resort. Bus will leave the Outdoor Program at 7:00 a.m., Weber State University Village promptly at 7:15 a.m. and WSU Browning Center at 7:35 a.m. Bus will leave Snowbasin to return to WSU at approximately 1:30 p.m, or as soon as all participants are on board.

“The Mount Ogden Hike Tradition”

On October 4, 1922 a group of over 350 Weber College students, faculty and administrators hiked to the summit of Mount Ogden to erect a 20-foot steel flagpole. David O. McKay, noted Weberite, dedicated the site accompanied by a chorus of “Purple and White.” The Mount Ogden (and later “Flaming W”) Hike was held intermittently through the years, but was officially re-instituted in 1987. The trek to the top of the Peak has continued every year since—sometimes in wind, rain and even snow, but most often in beautiful Fall weather.
