
Did You Know?

- All children grieve from loss and death, regardless of their age.
- There are several common yet unrecognized inhibitors of children's mourning and grief.
- 1/3 of divorced children will lose contact with one parent.
- It is important to explain death, divorce, and separation to young children.
- Individuals who have experienced the death of a loved one, or a separation or divorce do not just "get over it."

Workshop is presented by

A Nationally Certified Bereavement
Facilitator

A Center For Grieving Children

PRESENTS

“Supporting Children in Grief”
