74th Annual CME Conference
May 14 - 17, 2019, at Weber State University
Michael S. Webb, MD, Presiding

**Gary Green, MD**
Medical Director for a Major League Baseball, past chair of NCAA Committee on Drug Testing and Drug Addiction, and researcher through the UCLA Olympic Analytical Laboratory, will lecture on the past, present, and future of anti-doping and performance enhancing drugs in sports.

**Richard Gunderman, MD, PhD**
Radiologist, professor, and author will lecture on two of his books, "We Make a Life by What We Give," which draws from his experiences as a physician and educator to build a case for giving as an essential element in a full career and life, and "We Come to Life With Those We Serve: Fulfillment and Philanthropy."

**Samuel Shem, MD**
Playwright and author of acclaimed novel, "House of God," will present, "How to Stay Human in Medicine From the House of God to Man's Fourth Best Hospital." Dr. Shem graduated Harvard Medical School, and is a Rhodes Scholar. *The Lancet* called "The House of God," one of the most significant medical novels of the 20th century.
Tim Ballard  
Founder and CEO of Operation Underground Railroad which rescues and rehabilitates trafficked children throughout the world, and CEO of The Nazarene Fund, which works to liberate children and refugees from extremist groups. Ballard, a best-selling author, began his career at the CIA, assigned to the Internet Crimes Against Children Task Force and deployed as an undercover operative.

Abdul Nassar Kaadan, MD PhD  
Orthopedic surgeon, WSU professor, and a renowned scholar, will discuss Islamic Medicine Contributions to the World and the Impact of the Syrian War on Health Facilities. Dr. Kaadan taught at the University of Aleppo and was a successful orthopedic surgeon. In 2015, he and his wife fled the Syrian war, the largest humanitarian crisis since World War II.
