Username: See Instructor

New Students:

If you have never been a student or employee at an Intermountain facility before you will need to activate your account before you begin your rotation. Please follow the instructions below.

To Activate your account:

1. Go to https://intermountainhealthcare.org/imass5web/activateAccount.do
2. Enter your username and click submit (do not enter Intermountain Employee ID, First Name, Last Name or Group ID)
3. Enter your information.
4. You will create your own password. Passwords must be at least 12 characters long, start with a letter, and contain at least one numeric digit and one special character. No words that can be found in the dictionary may be included in your password.
5. Choose a security question and answer of your choice.

Returning Students:

If you are a returning student or a former employee, please use the same password from your previous rotations. If you don’t remember it, call the service desk at 801.442.5731 and they can assist you to reset it.

Active and Affiliated Employees who are current students:
Your username and password will be the same as your employee logon credentials. Please use My Experience to log into your student role.

Additional notes to help with computer access:

- Please note that once you activate your account it can take up to 90 minutes to synchronize a password to the various systems (although the time is typically much less)
- Students must log on to the desk top with a CO experience at the single sign on screen.
