* The *Outstanding Graduate* honor is awarded to individuals who have achieved a GPA of 3.6 or higher and have demonstrated exceptional academic performance, leadership qualities, and exemplary professional conduct throughout their academic journey.

* The *Merit Scholar* designation is bestowed upon students who exhibit commendable academic performance, demonstrate leadership potential, and consistently contribute to the intellectual community of their program.

** The *Honorable Mention* recognizes students who have shown promise and dedication in their studies, displayed notable improvement, and contributed positively to the academic environment.

These distinctions aim to celebrate the diverse talents and accomplishments of our graduate students, while also fostering a culture of excellence and achievement within our academic community.
